

The Joshua Generation International Network

Organization Profile

2023

WHO ARE WE?

The Joshua Generation International Network (TJGIN) is a Christian organisation that encompasses:

- Education and Technology
- Media and Communication
- Energy and Infrastructure
- Finance and Banking
- Trade and International Relations

The Joshua Generation International Network is one of the world's biggest CHRISTIAN YOUTH CONSORTIUM NETWORK, which is, raising a generation of courageous individuals who are fully motivated and empowered to COLLECTIVELY pursue their destiny with a sense of belief and trust that THE BATTLE IS THE LORD'S (Joshua 5:13-15) and He is faithful to bring it to pass. Apart from individual contributions from ADVISORY COUNCIL, TRUSTEES AND MEMBERS, TJGIN has a wide network of PARTNERS within the public, private IGO, and NGO sectors that sponsor our programmes and projects.

Twelve words that define The Joshua Generation International Network

1. Modern,
2. Online,
3. Intercessory,
4. Network,
5. Evangelical,
6. Discipleship,
7. Christian,
8. Youth,
9. Business,
10. Consortium,
11. Leadership,
12. Movement.

MISSION STATEMENT

The coordination of youth and the corporate sector around relief, empowerment and awareness programmes which otherwise would be difficult to pursue alone. This will be facilitated in conjunction with national chairs, their committees, membership and stakeholders.

VISION

To raise a generation that will collectively pursue and turn their dreams into tangible reality.

CORE ETHICS/ VALUES

- Love- In John 13:34-35, Jesus commanded His followers to love one another, and Paul affirms it in Romans 12:10.
- Order- From Genesis to Revelation, we see that God is a God of order, not confusion. We model this through our 8 member committees.
- Unity- Our God is one, and He is Lord of all. Christ is not divided, and where there is unity, God commands a blessing.
- Voluntary mutual submission- Jesus is our model.
- Honesty- Christ said that He is the Way, the Truth, and the Life. We aim to follow in God's footsteps.
- Quality and excellence- TJGIN as a Christian interdenominational movement values quality and excellence, knowing we are working for the Lord, not for men.
- Transparency- In all we do, transparency is important, and as such, we will do regular updates to our stakeholders.
- Connectivity- We flourish when we relate to God and people, and we languish when we are disconnected. We foster this through our Social Media platforms.
- Sustainability- TJGIN will continue to fulfil its mission over time and aims to meet the needs of its stakeholders, particularly its beneficiaries and supporters. As such, sustainability will be an ongoing process rather than an end.

PHILOSOPHY

Prayer and Evangelizing making Jesus Christ the centre of every program and project we undertake

GOALS

- To empower disadvantaged community members through creation of activities that harness, allow and encourage individual as well as group participation in Bible clubs, Recreational clubs, business hubs amongst other activities.
- To provide humanitarian relief as well as services that target impoverished youth, widows and vulnerable children and street children but not limited too.
- To raise awareness campaigns on the work of TJGIN to our clients through interactive campaigns and conferences at international, continental, ward, branch as well as cell levels.
- To alleviate poverty through financial empowerment of youths, widows, orphans, vulnerable children, and their caregivers through financial support from the Micro finance Institutions that we established as well as from other stakeholders.
- To empower our leaders, as well as evangelize through our programme of conferences, social media.
- To ensure that we epitomize transparency and equality in our work that is reflective of Christian values that guide us ensuring that Jesus is at the centre of all we do.

OBJECTIVES

- To implement youth programs.
- To provide mentorship and guidance that empowers youth and children in schools and tertiary institutions.
- To provide financial, marketing, business training to help youth set up own businesses.
- To raise awareness to 261 countries.
- To safeguard the rights of the child and provide for the wellbeing of children's and youth needs, particularly those exposed to any form of abuse.
- To increase TJGIN membership by 10% every year.
- To create long term networks and connectivity with all TJGIN stakeholders.
- To foster and encourage a culture of prayer and intercession networks in every nation, city, town, village and have it cascaded from continental, regional, national, provincial, district, constituency, ward, branch all the way down to cell level. Our eight-committee member will be a prayer co-ordinator.

BACKGROUND

THE JOSHUA GENERATION INTERNATIONAL NETWORK

In 2015, after five years of studying reading, and meditating on the word of God it finally became apparent to our Founder/Chairperson, Pastor Xavier Mzembi that the Lord had called him to effective Youth Ministry. The calling was developed from the monthly all night prayers that he and other youths conducted since March 2011 on the last Friday of every month at Holy Trinity Church in Harare, Zimbabwe, Southern Africa. It was later in September 2015 our Founder/Chairperson together with a team of youths from 12 churches sought to take this vision outside the four walled parameters of the church into a registered international (1) MODERN, (2) ONLINE,

(3) INTERCESSORY,
(4) NETWORK,
(5) EVANGELICAL,
(6) DISCIPLESHIP,
(7) CHRISTIAN, (8) YOUTH

(9) BUSINESS, (10) CONSORTIUM, (11) LEADERSHIP, (12) MOVEMENT.

Pastor Xavier Mzembi wrote, recorded, and published during these five years an audio and visual book called **JOURNEY WITH THE WORD OF GOD**, available on YouTube and in Video Format on Facebook. This became a manual that formed the foundation, basis and backbone of this dynamic and eminent vision.

It seemed apparent to our Founder/Chairperson to confidently conclude the Lord had all along been preparing him to assume this new role in the community. Our social media strategy was well received by various stakeholders who include members who today form part

of our Advisory Council.

The vision received a strong endorsement during the official launch on January 29, 2016 when the Deputy Minister who was the GUEST OF HONOR accepted to be PATRON. we were now positioned as a model for efficient and effective collective youth community engagement in national PROGRAMMES and PROJECTS.

We noted with great concern:

(1) The inability of individual youth businesses to repay loans offered under the Youth Fund,
(2) The absence of a faith-based arm under the Ministry of Youth, and recognized the need to (3) promote and set up 12 provincials Eco Cash Merchants, 72 DISTRICT and 210 CONSTITUENCY Eco Cash Agents and Old Mutual UNIT TRUSTS in Zimbabwe for the sole purpose of mobilizing a collective build-up of Equity Capital for youths with similar business interests before any external sources of finance. The UNIT TRUSTS are independently managed by PROVINCIAL COMMITTEES and have a collective mandate to raise EQUITY CAPITAL for our provincial programmes and projects from our members who automatically become TRUSTEES upon contribution of a one-off TRUSTEE FEE of \$30. Our model recognizes first and foremost that the youth had failed in the past because of individualism.

BACKGROUND

TJG International Network

JOSE V. PASCUA began to work together.

This brought a shift to the whole

Using What's App and various other social media platforms the vision reached out to TJGIN AFRICA'S 58 countries within the first quarter of 2019.

It was after a while in 2017 that PASTOR XAVIER MZEMBI was led to get in touch with DR JOSE V. PASCUA.

He googled to see where else this vision had ever been done and he came across TJG INTERNATIONAL NETWORK.

He immediately sought partnership. It was after a year towards the end of 2017 that PASTOR XAVIER MZEMBI and DR

scope of the vision as it immediately went international beginning in Africa.

This prompted DR JOSE V. PASCUA to call forth the TJG INTERNATIONAL LEADERSHIP SUMMIT in Washington DC, USA in September 2020.

At the same time the continual partnership with 34 other TJGIN affiliates gave birth to a much bigger NETWORK.

In September 2020 in the UK, we registered as not for profit organization. Sept 2021, we became a registered UK charity.

PRESIDENT'S STATEMENT

At 17 years old, in the midst of receiving an academic education, he had a radical and transforming personal encounter with the Person of the Lord Jesus Christ in 1959. He was filled and baptized with the Holy Spirit According to the record of the Book of Acts and from the words of Jesus Christ: "But you shall receive power when the Holy Spirit has come upon you, and you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria and to the ends of the earth" (Acts 1:8). Through that experience, the Lord led him to train for the ministry in a Pentecostal Bible College called Halls of Life Bible College in the Philippines.

The Lord sent Jose, his wife

Joyce, and their two-month-old son, David, to the United States in 1969. Since then, the adventure in serving God took them to more than 80 nations, frequently returning to train and disciple, ministering in the power of the Holy Spirit to present Christ as the only Saviour to a lost and dying world.

In 1974, Demos Shakarian extended an offer to Jose to work at the world headquarters of Full Gospel Businessmen's Fellowship International. He served as manager of the

Dr. Jose V. Pascua

Global Outreach Department and international coordinator for the worldwide ministry until 1988. Great and mighty things happened during the years that Jose worked closely with Demos Shakarian, the Founder and President of FGBMFI. Regarding his time with them, Jose said, "Working with Demos and Rose Shakarian at FGBMFI was the best that could happen to any child of God who is willing to be led and empowered by the Holy Spirit."

In September of 1988, the Lord

led Jose and Joyce to launch a ministry called The Joshua Generation International Network. They did not know what God had in mind at the beginning, but the Holy Spirit was leading one step at a time, day by day. The Lord has done great things through the years, and the Holy Spirit has given The Joshua Generation an army of believers who are prayer warriors and soul winners in every nation. Through the help of technology, they have active believers serving God in every nation around the world.

PATRON'S STATEMENT

Florence is the Founder and President of "Esther's for the Nations" (EFN). A movement of women that has a passion for God and His kingdom, a desire to see people set free in the truth of the gospel, growing in their confidence of who they are in Christ and walking continuously in this newfound freedom. This is achieved through an emphasis on a deep personal walk and revelation of Who God is, what the scriptures say about Him, us. And the Holy Spirit and His plans for all who confess Him as Lord and Saviour. Her infectious love for the word of God is inspiring, making the bible accessible, alive and enjoyable to obey.

Florence, who through her

own experience of being disciplined, believes in the power of discipling others for Christ in obedience to Matthew 28:18-19. Her deepest desire is to know Christ and to make HIM KNOWN. EFN is a prayer ministry that has taught women to pray and see God respond in ways beyond comprehension. Esther's is a growing ministry which we recognise as a movement because of its non-static ways of God's leading and experiences. Florence has always been drawn to women

Apostle Florence Sutherland

with the firm conviction that "when a woman is in the right place, the whole village is in a good place." Her first clear involvement was when she was a student nurse. After qualifying with honours in her written and practical exam, Florence made it her mission to ensure that no student failed their exam while they were in her ward. A sponsorship by a women's group quickly followed this to go and study overseas where she undertook Child development Studies at Ware College in Hertfordshire.

While she worked on the committee of the Women's Institute of Zambia, she set up two community nursery schools which offered underprivileged children a chance to be prepared for school. This went hand in hand with her ministry to women in Shanty compounds around her home. Florence is also the Founder director of Anchor Foster Care services, an organisation that has shaped and informed her current ministry in the Market Place as a Social Worker.

CHAIRPERSON'S STATEMENT

Pastor Xavier Muzembi

Greetings THE JOSHUA GENERATION INTERNATIONAL NETWORK!

Finally, after 3 1/2 years of having been entrusted with this Vision as your Founder/ Chairperson, we now have commissioned our WORLDWIDE MODERN EVANGELICAL CHRISTIAN

YOUTH BUSINESS CONSORTIUM NETWORK

MOVEMENT. What began in Houston, Texas, USA in 1988 came to Africa in 2016 and now has reached the 7 continents, 30 regions, and 261 nations of the world. Our eight-member model has ensured an

The world needed such a worldwide movement that will ensure unity and centre of worship, the very ingredients needed for an out pour of the Holy Spirit. Our dynamic and eminent vision is cantered on three pillars of (1) awareness, (2) relief, and (3) empowerment programmes and projects. We have a deliberate approach to preach Christ in all that we will and do.

I'm so thankful to our Founder/ President, Dr. Jose V. Pascua for allowing us to fully express ourselves through this God given vision. A big thank you to Apostle Florence Sutherland our Patron and head of our 24-member Advisory Council. I bless the Lord for all our Trustees whom I chair. A big thank you to all our Executive members headed by our CEO, Pastor Ann Hubbard. We thank God for all our Continental, Regional, National, State, Ward, Branch, and Cell leaders and members

outreach to over 20,000 members and will certainly gather 50,000 by December 31, 2023.

CEO'S STATEMENT

Pastor Ann Hubbard

I am honoured and privileged to be Founder/ CEO. Together we can make a difference in our nations. Together we will build an executive team which will help bring about change. Little by little we shall

reclaim this land for Jesus. Your participation in TJGIN is important to help bring this about.

As your CEO I have the privilege of providing

leadership. Responsible also for our organisation's administration and financial management.

I have the honour of working closely with the board of trustees, advisory board, chair and founder, Pastor Xavier and of course our president Dr. Jose Pascua. Between us we will develop our organisations long term strategy, budget and business plan ensuring it complies with the law and regulations of the appropriate nations we serve in.

As well as being available as much as possible to be an ambassador for TJGIN motivating and engaging volunteers, staff,

beneficiaries, and prospective donors.

We cannot do this without you, every person matters and has a part to play in taking TJGIN to the next level.

We will endeavour to

Unlock Potential: Recognising

CEO'S STATEMENT cont.....

and developing the potential of all; in the young people we champion and the stakeholders we work with. One way of doing this is we are committed to our intern program and will endeavour to have an intern or two in every key department in the executive.

We will be One Team: Working together effectively to achieve our goals, with the aim and purpose of having membership in all nations and in every part of the world. Aiming to make a difference through our 2023 target of 50,000 members, then 90,000 by 2025 reaching every nation.

We will be a voice to the nations. In order to do this, we will strengthen our structures of our network chairs, national chairs, executives, regional, provincial, district, cells chairs and committees who will lead the way, cascading information to their members and encouraging growth in new areas. Just as Joshua was told by Father God, we will be bold strong and courageous and possess the land he has given us.

We will adopt servant leadership where we honour

the least amongst us. We will embrace the new member, serving him/her with the right information and resources to make them feel welcome.

As an organisation we will be enterprising and Resilient: Embracing change, innovating, adapting, and responding to challenges and opportunities
Creating Great Impact: Helping the vulnerable

We cannot do this without you, every person matters and has A part to play in taking TJGIN To the next level

children and youth through our humanitarian departments of awareness, relief, and empowerment. Our work in schools will form a big part of this. We will set up school clubs and hopefully working with scripture union help the next generation come into Gods, plans, purposes, and destiny for them. We will keep Christ at the centre of all we do. We will empower the widows, caregivers to be able to afford their children's school fees by helping them to make best use of their

resources, especially their land. We will provide food to the hungry in the schools we are helping. Many children walk long distances to school on empty stomachs. We will endeavour to set up a programme where they receive at least one meal during the school day.

The children of Israel came out of Egypt as a congregation they took formation in the wilderness. God wants us to be organised. He wants us to take formation as we get ready to cross over to the Promised Land.

My favourite scripture is. Never doubt God's mighty power to work in you and accomplish all this. **He will achieve infinitely more than your greatest request, your most unbelievable dream, and exceed your wildest imagination! He will outdo them all, for his miraculous power constantly energizes you. Ephesians 3:20.**

HEAD OF FINANCE'S STATEMENT

Marry Sibanda

A warm welcome to The Joshua Generation International Network. As the Finance Director, I am pleased to be part of the Executive of an international Christian youth business consortium. I am so grateful to be serving under an incredible leadership of our Founder and President, Dr Jose V Pascua, our Founder and Chairperson Pastor Xavier Muzembi and our Founder/ CEO Pastor Ann Hubbard to mention but a few. My role as the Finance Director is to manage the delivery

of a professional, proactive and effective finance service to all staff and managers in The Joshua Generation International, and to lead, develop and motivate the finance team as we strive to reach the 50000 membership by December 2023. We have a lot of projects falling under the empowerment, awareness, and relief programs. Our values are centred on Christ, who is our Lord and saviour. On behalf of The Joshua Generation International, I encourage you to partner with TJGIN.

**to lead,
develop and
motivate
the finance
team**

SCHOOLS DIRECTOR'S STATEMENT

are oriented, motivated and guided whenever possible. We have a lot of projects to support the vulnerable students/orphans, communities and widows who are guardians to some of our students we sponsor. We look forward to you partnering with TJGIN in our efforts to eradicate poverty and empower the marginalized vulnerable youth to be self-reliant and self-sufficient in life.

**Eradicate
poverty and
empower the
marginalised
vulnerable
youth**

Luke Mugobo

Let me take this chance to acknowledge the founders and vision bearers of The Joshua Generation International Network comprising of the President/Founder Dr Jose V Pascua, Chairperson/Founder Pastor Xavier Mzembi and the Founder/Chief Executive Director Pastor Ann Hubbard to mention but just a few. It is my honour and privilege to be one of the executives of this reputable international Christian youth business consortium as its Schools Coordinator. My role

is to make sure that there is uniformity of some sort in all the schools we partner with and to make sure that the students/youth who are the Joshua Generation of today are brought up knowing Jesus Christ as their Lord and Saviour and to make certain that all our education activities are carried out in a professional, transparent and Christian manner. I have to make sure that all our education staff

INT. CHAIRPERSON DIRECTOR'S STATEMENT

**Aiming to help and
equip all national
chairpersons as they
grow their eight
member committees**

SHEPHERD MUCHERO

I take pleasure in being a team member of the Joshua Generation International Network, one of the world's biggest Christian Youth Consortium Networks.

My Role as International Chairperson Director is to win representation in all nations as we position our Organisation as the leading Modern Online Evangelical Christian Youth Business Consortium

Movement, also to ensure Chairpersons are monitored, Motivated and directed to Ensure they implement the Programmes and projects within their respective nations maintaining the TJGIN Brand

INTERNATIONAL DIRECTOR'S STATEMENT

Bishop Dr. Benezer D. Mwang'ombe

Greetings **THE
JOSHUA GENERATION
INTERNATIONAL NETWORK**

My name is Bishop Dr. Benezer D. Mwang'ombe, International Director (TJGIN-Executive).

I would like to take this profitable opportunity to commend our President, Dr. Jose Pascua, Pastor Xavier Muzembi, Founder and Chairperson, Pastor Ann Hubbard, Founder Chief Executive

Officer, other members of Executive and all the members of TJG International for the good job they are doing especially for expansion and growth of TJG International. Furthermore, what I have observed is TJG International has created a big network of love, peace and respect to her members.

Shalom.

**A network of
love, peace,
and respect**

IDENTIFIED CHALLENGES AND PROPOSED SOLUTIONS

All our programmes are designed PRINCIPALLY to empower, motivate, raise awareness and engage people and society at large. TJGIN aims to provide services to communities through our TJGIN staff, NGOs, members, partners and other stakeholders in unison with national chairs, their committees' memberships as well as communities.

CHALLENGES

Many vulnerable groups in society do not have access to information and also face major hurdles in conveying relevant information to possible service providers who can aid them. Marginalized vulnerable groups in rural areas or city outskirts are left out in most empowerment and development drives due to this lack of information exchange. They are often left behind as little is known about their day-to-day challenges and vulnerabilities.

Lack of vocational skills& the shortage of recreational activities or facilities.

Child marriages

Dropping out of school due to unplanned pregnancies.

Lack of employment opportunities.

Financial problems leading to children and youth being unable to attend education

People unprepared for climate change, making best use of land.

Maternal and parental help.

Mental health depression is one of the leading causes of illness and disability among adolescents whilst suicide is the second leading cause of deaths in adolescents. Major causes of depression include but are not limited to poverty, a never-ending cycle of violence in the family and low self- esteem.

TJGIN TARGET PRIMARY CUSTOMERS

Variable	Explanation
Who is our customer?	Demographic- Not limited to, Children in primary school, High School, colleges, universities Unemployed youth, orphans, teenagers who cannot afford sanitary wear, widows, victims of abuse, early marriages youth, street children
What- they need	Religious education, food, clothes, sanitary wear, education and training, counselling, accommodation/orphanages, employment, business advice, financial assistance, assistance to technology e.g., internet and computers, transport, stationary, uniforms, health education, safe water, electricity, and also environmental education i.e., importance of having PPE and waste management.
Why- they need it	There is high rate of divorces among nations, high rate of domestic violence, increase in poverty, suicides, high unemployment rate, dynamics in technology, changes in climate, children walk long distances to school and also, they are victims of religious unethical practices. Children often going hungry
When- do they need help	Given all the reasons mentioned, the services are needed regularly.
Where- they expect to receive the service from	Churches, donors, government, well-wishers, businesses, corporates, volunteers, micro financier, councillors, teachers, nurses etc.
How- do they receive the services	Through direct distribution (from TJGIN to beneficiaries)

SOLUTIONS

Awareness in schools, colleges, universities can be achieved by working with headmasters and teachers to create and help run and facilitate recreational as well as Bible clubs where they participate. Awareness can also be achieved by equipping pupils with entrepreneurial skills. We are implementing financial literacy programmes that will equip young minds with the correct mind-set as well as skills that will enable them to participate fully in the ever-changing corporate world. Children and youth are also being made aware of the need to unlock their minds and come up with ways of helping their communities as a way of giving back. Youth mentored and encouraged to pursue their dreams, marketing, financial guidance and help with their business ideas. Ongoing mentor ship, start-up loans provided after proof of saving.

SOLUTIONS CONTINUED

We are also empowering the disadvantaged youth with skills to make them as self-sufficient as possible. Part of this training is financial; we recognise the need for young people to be organized and contribute whatever little resources they may have and build through TJG Sacco enough capital to start their PROJECTS and implement them so that they may attract additional external sources of FINANCE. There is a need to seek to raise the next generation of millionaires who will become employers and remember the disadvantaged. Thus, it is the desire of TJGIN to be relevant and give proper information as well as mentorship were needed.

TJGIN is assisting in building life skills in children and adolescents by providing them with psycho-social support in schools and other community settings in a bid to promote good mental health.

2. RELIEF

Our RELIEF programmes are aimed at not only assisting the seemingly disadvantaged youths that are not able to contribute to our UNIT TRUSTS but also the widows, orphans and vulnerable people.

This is achieved through empowerment to the impoverished across the country and through social responsibility of our successful businesses and the mobilization of funds from well-wishers or the business community. We realize other hazards such as natural disasters, poverty and drought can happen thus leading to compromising and hard situations.

We have engaged the disadvantaged youths, widows and orphans in our PROGRAMMES and PROJECTS which are labour intensive. This will ensure they get to contribute towards the success of our vision through the work of their hands.

Youths, widows, orphans and vulnerable children form part of the group of individuals we seek to empower for them to be self-sufficient. Agriculture is one of the most promising projects we have embarked on. Through our NGO, we are purchasing land and forming cooperatives which is enabling all those involved to save money on bulk purchases, distribute and share farming equipment and livestock. The produce is distributed to the young, disadvantaged and disabled who are unable to work. A percentage of the surplus produce and profit is then donated to form other cooperatives and purchase more land. Long term we aspire to have our own radio station which will have an educational format addressing root issues. Climate change, making best use of land, etc.

Our NGO liaises with Head Office staff who in turn choose projects in line with our objectives taking into consideration, funding, long lasting impact, and sustainability. For these, we will need to gain support through funding for infrastructure, equipment where needed, water boreholes, solar panels, textbooks and stationery for those who cannot afford to buy their own. Ensuring vulnerable children who have no packed lunch, get at least one meal a day at these schools. The girl child is supported by the provision of sanitary wear; thereby reducing school absences. Every child has a right to play, and we will seek to provide footballs for impoverished schools where needed.

3. EMPOWERMENT

Our EMPOWERMENT programmes are designed to ensure education, training, and idea generation strategies. We are helping the vulnerable develop business plans that are feasible and sell them to the members of our association who in turn buy into those models through their contribution in equity. Where needed, we have started sourcing funding for sewing machines and other items of machinery which will enable the starting of businesses. Only viable businesses will be helped, and each person is going through business training from idea to implementation to market. They are working in groups of five and are responsible to each other, sharing resources. We aim to start a youth business hub in Uganda and Kenya. This will be a model which we will seek funding for other nations.

Long term ideas when we have adequate warehouse facilities include starting a food bank where people can bring produce and excess food produce can be exchanged or traded for something else.

Below is a table highlighting some of the endeavours that TJGIN embarks on.....

Typical Projects	Area of focus	Area of focus	Area of focus
	Stage 1	Stage 2	Stage 3
Tailoring	Rwanda, Kenya, Tanzania	Uganda, Liberia	In all nations
Agriculture	Tanzania, Uganda	Kenya, Liberia	
Fish farming	Uganda		
Poultry	Uganda	Africa	
Charity and Donations	Africa		
Awareness	Schools, Colleges, University	All nations	
The Joshua Crusaders (Scripture Union)	TJG Radio, TV		
Online Sermons	Uganda	Kenya	Whole of Africa
Street Children	All nations		Food, accommodation
Mentorship Sacco	All nations
